Incoming mail (POP3) mail.cse-india.com
Outgoing Mail (SMTP) relay.pair.com

Incoming Mail Server

Account Name m9999@cse-india.com
(‘9999’ is the 4-digit CSE member code like m0005 or m0040 or m0700 etc.)
Password Your PAN as provided to CSE (in Capital letters)

Note:

Members please note that there is an alternative arrangement been made through Webmail service to check your mail from anywhere. Please Type webmail.pair.com from any Internet browser and provide your username and password to enter to your mailbox.

All the members are allotted 10mb space in each mailbox. Members are requested to check their e-mail account daily and download/move/delete mails regularly from their respective mailboxes to keep enough free space to receive incoming mails and also change their e-mail password time to time for security reasons.

To change the password open webmail.pair.com from Internet browser (e.g. Internet Explorer), enter your User-id and Password, login to your account, then go to options, then go to ‘Change Your Password’ option and change password accordingly.

For any technical assistance regarding e-mail please contact ITD, CSE. (Tel. No. 2230 6965 /2210 2207/ 2230 3335)
